#### **What is SNAC?**

Did you know that your school board has an advisory committee called SNAC? The Special Needs Advisory Committee (SNAC) is a multi-disciplinary team composed of elected parents, a community representative, and School Board representatives including a Special Needs Consultant, Resource Teacher, Integration Aide, Principal, School Board Commissioner, Student Services personnel, and a representative of the Director General.

Our role is to advise the school board regarding school board policies, the organization of educational services and the allocation of funds for students with special needs. SNAC also strives to support our parent community through special presentations, workshops, links to community events and by creating supporting documentation. We listen to your feedback, and try to respond to your questions.

SNAC meetings are held monthly at the LBPSB School Board, and **all are welcome to attend**. Reports summarizing the issues discussed during our meetings are posted on our website. For more information about who we are and what we do, please visit the SNAC website at <http://snac.lbpsb.qc.ca>. Should you have any comments, questions or suggestions, please feel free to contact us via email at [snac@lbpearson.qc.ca](mailto:snac@lbpearson.qc.ca).
