News from Council

Nov 2 School Board Elections

School Board elections were held in 9 out of 12 wards. Congratulations to the elected commissioners and Suanne Stein Day for winning the Chairman elections. This was the first time that a Chairman of a School Board was elected under universal suffrage by electors registered on the English School Board electoral list.

Commissioners sworn in at Council on Nov 17

Special council meeting was held 15 days after the election to swear in the new council of commissioners. The number of commissioners at council went down from 23 to 17 as part of the amendments to the Education Act resulting from the enactment of Bill 88. For the first time, four parent commissioners were sworn in; a gain of 2 parents over last Council.

Parent commissioners represent the interests of parents and were elected to serve a two year term.
