### Concordia Workshop October 17-18 2015

**Embracing Imperfection**

**A HALF-DAY INTERACTIVE WORKSHOP**

...based on the work of Dr. Brené Brown, renowned American scholar, author and public speaker.  
The goal of perfection, as opposed to a healthy striving for excellence, is unattainable.  
When we strive for perfection, we become 'TOO BUSY TO LIVE'.  
To escape from this 'busyness' we must learn to 'EMBRACE OUR IMPERFECTIONS'.

*"Are you the adult you want your child to become?"*  
Brené Brown

*The thing that is really hard (and really amazing) is giving up on being perfect and beginning the work of becoming yourself.*
