## Correspondences Received from LBPSB Parents - September

### Types of questions I received from parents during the month of September:

Concern regarding **child's progress** & resources available; questions on funding for students with special needs.

Concern regarding **transportation** for students who leave LBPSB to attend **Vanguard School**; is there an entente between LBPSB and Vanguard?

Concern regarding **child's progress** and question on how to determine if developing an **IEP** is necessary.

Concern regarding child's possible placement in high school; what is the **WOTP**, why has it been recommended, what schools offer it and will their child be secluded from their friends?
