SNAC Parent to Parent Evening - The Art and Science of the IEP

Process...Promoting Parental Engagement in our children's education:

A wonderful thank you to all those parents who came out to take part in our event. We had over 60 parents in attendance from several elementary and high schools within our school board. We covered topics such as - What is an IEP, Adaptations and Modifications, Supports Available, The Role of the Integration Aide, Dealing with Concerns and finally Engagement with Acceptance. The slides from the presentation for the evening are up on our website. The subcommittee is currently working on answering your 50 questions! We will be emailing them out and posting them on our website once they are complete. We are aiming for mid-May.

SNAC AGA in September 2018

SNAC has voted to hold their **Annual General Assembly and Selection of New Members on Wednesday September 26th at 7pm in the main boardroom of the school board.** There will be several parent positions available so please share the information with your schools. Any parent of a child on and IEP within LBPSB is able to be selected to our committee. SNAC voted on creating posters advertising our AGA. They will be sent to the schools to be posted.

Parent to Parent Fall Event

Feedback from our Parent to Parent event in March revealed that parents would really appreciate having an event in the fall as well as the spring. SNAC members have begun researching speakers for next year.

SNAC Website:

Since our March meeting there were 412 hits to the main page and 54 webcast hits. We also received thank you messages from our parent to parent information evening.
