Dear Mr. Newton and PEP Members,

We currently have a fabulous representative from your association on our Special Needs Advisory Committee. We are writing to invite you to consider voting in an alternate representative to our committee to allow consistent representation of your organization at our table.

The contributions of your representative, Maureen Hunt, have added tremendous value to the work of our committee. While Maureen has always gone above and beyond, attending meetings and information sessions, I would like to invite your association to consider appointing an alternate representative. This would allow your association to be represented should Maureen be unable to attend.

This year, both the Pearson Teachers Union (PTU) and Pearson Association of School Administrators (PASA) have appointed alternate members and it has worked out very well. Our hope is that PEP will consider doing the same.

Alternate members have the choice of attending all meetings or simply attending those in which the representative is unable to do so. Please note that should both members be present, only one member may cast a vote.

Our remaining meeting dates for the school year are as follows:

Wednesday, February 19, 2020 Special Budget Presentation by France D'Aoust - closed to the public *Early start due to presentation*	6:30pm	106/107/108 LBPSB Head Office
Wednesday, March 18, 2020	6:45pm	106/107/108 LBPSB Head Office
Wednesday, April 22, 2020	6:45pm	106/107/108 LBPSB Head Office
Wednesday, May 20, 2020, *Special Year-end dinner * & Wrap Up Meeting	6:15pm	Pierrefonds Community High School

We do hope you take our invitation into consideration.

Thank you for your continued support.

Sincerely,

Jennifer DiMarco - Chairperson
Special Needs Advisory Committee 2019-2020
