

Parent Concerns/Visions

Helping your school better understand your child.

- 1) My child's strengths, abilities and talents are: (may include social, academic, musical.....)

- 2) My child's special interests are: (including what may be used as a motivational tool)

- 3) My child's specific challenges that may be interfering with his academic and social success are:

- 4) My child's preferred learning style is: (visual, verbal, logical, etc...)

- 5) Goals for the following academic year:

- 6) My vision for my child for the next three to five years:

- 7) I need further information or clarification regarding:

Providing your school with this document prior to the I.E.P. meeting may help them better prepare and result in a more productive meeting.
